

includes/quadtrees.h

```
graph TD; A[includes/quadtrees.h] --> B[MLV/MLV_color.h]; A --> C[MLV/MLV_image.h];
```

The diagram illustrates a header file dependency. At the top, a box labeled 'includes/quadtrees.h' has two blue arrows pointing downwards to two separate boxes. The left box is labeled 'MLV/MLV_color.h' and the right box is labeled 'MLV/MLV_image.h'. This indicates that the 'includes/quadtrees.h' file includes both 'MLV/MLV_color.h' and 'MLV/MLV_image.h'.

MLV/MLV_color.h
